

2022-2023 Cost-Share Program* – Due Tuesday, November 15

The following incentives are being offered for 2022-2023:

1. **Strip tillage:** \$15 per acre up to 100 acres (max. payment of \$1,500/farm)
2. **Low disturbance manure injection:** \$20 per acre up to 100 acres (max. payment \$2,000/farm)
3. **Cover crops:** \$50 per acre for up to 100 acres of over-wintering crops
\$30 per acre for up to 50 acres of nonover-wintering crops
Deferred fall killing of alfalfa until spring (*Requires waiting until spring to kill alfalfa (hay) in fields that will be rotated into other crops or re-seeded): \$30 per acre up to 50 acres
4. **Low disturbance deep tillage and cover crop planting:** \$55 per acre up to 50 acres
5. **Winter headland stacking (*Requires spring/summer application):** \$8 per yard up to 350 yards
 - **Spring** is defined as when the ground is no longer snow covered or frozen.
6. **Composting manure:** \$12 per yard up to 350 yards
7. **Adding grass to alfalfa (hay) seedings or seeding grass forage mixtures (alternatives to pure alfalfa stands) on highly erodible (HE) land:** \$25 per acre up to 50 acres
8. **No Till Planting into soybean stubble, cover crops or alfalfa:** \$25 per acre up to 50 acres

***A 590-plan documenting practice implementation is required for ALL cost-shared acres.**

***Final payments are dependent on available funds and participation. Payments are paid out to the maximum acreages noted above, not total acres planted in a practice (if total acres planted is greater).**

***To enroll in the 2022-2023 Cost-Share Program, please complete the form below, detach and return by Tuesday, November 15, 2022.**

Name: _____ Farm Name: _____

Address: _____ City: _____ St: _____ Zip: _____

Email address: _____

Phone: _____ Cell: _____

Nutrient Management Planner Name and Phone Number: _____

*A 590-plan documenting practice implementation is required for all cost-shared acres.

Do you want more information about YPF's On-Farm Assessment and Certification Program? Yes _____ No _____

2022-2023 Acreage Enrollment Information

Strip tillage: _____ Total Acres Planted **Low Disturbance Manure Injection:** _____ Total Acres Spread

Cover Crops: _____ Total Acres over-wintering crops _____ Total Acres non-over-wintering crops
 _____ Total Acres deferred kill alfalfa

Low Disturbance Deep Tillage and Cover Crop Planting: _____ Total Acres Planted

Headland Manure Stacking: _____ **Composting Manure:** _____ Total Yards

Adding grass to alfalfa seeding or seeding grass forward mixtures on highly erodible land: _____ Total Acres Planted

No Till Planting into soybean stubble or cover crops: _____ Total Acres Planted

Are you interested in using the YPF Manure Tanker for a day, complimentary, in lieu of cash payment?
